Please ensure you provide the relevant documentation to support your change of name request:

- Marriage certificate (certified copy)
- Decree Absolute (certified copy)
- Deed of change of name (certified copy)
- Certificate of Civil Partnership (certified copy)

Please send certified copies (recommended). If sending originals of important documents such as passports, licences and identity documents please use registered post. We will return any originals we receive. *A certified document is a copy of the original document that has been endorsed as being a true copy of the original. Your document must be certified by a solicitor or your bank and each page must be certified using the wording: 'I certify that this is a true copy of the original'. So we can accept a certified document, the person carrying out certification must be available for Wyelands Bank to contact either in writing or by telephone. Please ensure that the appropriate contact details, address and phone number, are stated on the certified document. Please note that we are unable to accept self-certified documents or certification by a relative.*
